SEVENTEENTH ANNUAL MEETING

OF THE

PRESBYTERIAN HOSPITAL SOCIETY

OF THE

CITY OF CHICAGO.

CHICAGO, April 24, 1900.

The regular annual meeting of the Society, which should have been held on Monday, April 9, was postponed until to-day. The meeting was held at the Hospital.

Present: Managers Welling (Vice-President), Adams, Blair, Davis, Douglass, Hill, McWilliams, Rawson, Templeton and Yaggy; Drs. Bevan and Robison, of the Medical Board; Mrs. D. A. Jones, Honorary President, and Mrs. Charles D. Hamill, President, of the Ladies' Aid Society.

In the absence of the President, the Vice-President occupied the chair.

Mr. L. H. Davis led in prayer.

The annual report of the Treasurer was read. It was, on motion, accepted, and referred to the Auditing Committee.

The Chairman appointed Messrs. Hill, Rawson and Templeton a committee to nominate successors to the outgoing Managers (Class of 1900).

The committee nominated the following named gentlemen to succeed themselves: W. A. Douglass, W. C. Gray, D. W. Graham, M. D., Charles L. Hutchinson, Thomas Kane and Eugene S. Pike.

There being no other nominations, a vote was taken, and the gentlemen named above were elected unanimously. The Chair then declared that they were elected Managers for the ensuing four years (Class of 1904).

The annual report of the Managers was read by the Secretary.

On motion, it was resolved, That the report of the Board of Managers and of the Treasurer be printed and made a part of the Seventeenth Annual Report.

Dr. Robison suggested that it might be well to have embodied in the annual report a report from the Medical Board. On motion, the matter was referred to the Board of Managers.

There being no further business, the meeting adjourned.

W. A. DOUGLASS,

Secretary.

SEVENTEENTH ANNUAL REPORT
OF THE
BOARD OF MANAGERS
OF THE
PRESBYTERIAN HOSPITAL
OF THE
CITY OF CHICAGO.

To the Members of the Society:

The Board of Managers beg to submit herewith their statement of the work of the Hospital for the fiscal year just closed.

Since the opening of the Hospital in 1883, upwards of 24,900 patients have been treated. There were 2,343 new cases admitted this fiscal year, as against 2,174 for the previous year, and 74,095 days of treatment as against 72,259 days for the previous year. The daily average of free patients was 66, or 24,090 days free treatment. The daily average of part pay patients was 86, or 31,390 days partially paid for. The daily average of full pay patients was 51, or 28,615 days fully paid for, making a total daily average of 203 patients and 74,095 days of treatment. It will thus be seen that only 25 per cent of those receiving treatment paid the full cost of their care. The lowest number of free patients was 41 and the highest 82. The daily average of patients was six greater than last year, and of free patients one greater. The daily cost per capita was \$1.40.

The medical and surgical work of the Hospital increases with each year, as is indicated by our table of days of treatment and number of patients admitted. There are many improvements, however, of which the Hospital is urgently in need and which would inure to the incalculable benefit of those who are under our care, notably, the installation of an adequate steam sterilizing plant, and greater "dressing" and "examining" room facilities.

Quite recently our good friend and faithful attending physician, Dr. Norman Bridge, resigned from the Hospital Staff, having decided to remain permanently in California. The Doctor was connected with the Hospital as attending physician for seventeen years, having been one of the three original members in the department of medicine, and the Board of Managers feel under a deep sense of obligation to him for his many services.

We have been peculiarly fortunate in securing the services of Dr. Frank Billings as his successor, as also in the further strengthening of our Medical Staff

by the accession to its membership of Dr. Christian Fenger as attending surgeon, and Dr. J. Clarence Webster as attending gynecologist and obstetrician.

In examining the itemized accounts of the Treasurer you will notice the sum of \$10,000 to endow the Benjamin F. Felt Room, his widow and daughter, Miss Anna E. Felt, of Galena, Ill., having adopted this noble and generous plan as being eminently fitted to perpetuate his memory. Other endowments which have come to us this year are the "William Blair" Memorial Room, by Mrs. William Blair and her son, Mr. E. T. Blair; the Lewis H. Davis Room, by Mr. L. H. Davis, and the "Siegel, Cooper & Co.'s Employes' Bed." We are also advised our late friend and earnest co-worker, Mrs. Abijah Keith, has provided by will to endow a room in the Hospital.

The modern hospital is a charity not only for the poor but also for the well-to-do; the modern hospital is the work-shop where the treatment of the sick can be best carried out. This is especially true of surgical cases.

Modern surgery demands an extensive equipment; an easily cleaned, well lighted operating room, sterilizing plant, a complete outfit of surgical instruments, and a corps of trained assistants and trained nurses. In a case where a surgical operation is necessary, it is impossible for individuals of ordinary means, and difficult even for the rich, to provide the complete equipment necessary for the performance of a serious operation at their own homes.

The modern hospital, such as our own, is open to all classes; the poor, the working man with his small income, the well-to-do, and the rich, and it is equally a charity to them all. The poor receive their hospital care and nursing and treatment without charge; the working man pays a small amount for his board and room and nursing, and receives free skilled medical and surgical attention; the well-to-do and the rich pay for both their hospital care and medical attention, but they receive the benefits of treatment aided by the complete appliances and trained skill, which they could not obtain anywhere outside of a modern hospital.

It will be seen that the beneficent work of the hospital has not been curtailed, and such profit as has been derived from private patients has been increased, which has served to diminish the usual deficit.

There is a growing tendency to care for patients according to the most advanced ideas of human methods. The employment of these means involves the generous expenditure of money. Improved methods involve new appliances; to cure and restore patients requires a liberal diet, and all agencies which lead to health. Please to recollect that the problem of running a hospital, committed to the managers, causes them many anxious hours. We hope to do all the good possible with our money. We do not wish to make money, but we do wish to keep out of debt.

We have entrusted to our care and keeping a large sum of money, and we expect to have more, as a perpetual endowment of wards and rooms. This money will be taken care of and not one cent shall ever be used for any other purpose. We want two new buildings, and we shall get them. The Maternity Hospital is assured as soon as Mrs. McCormick's gift of \$40,000, is duplicated. The whole matter of the Maternity Hospital is safe in the hands of the women, and they never fail in all they undertake in hospital work.

We cannot say too much for the services rendered by Mr. Brown, Assistant

Superintendent. He has filled his position with great credit and in the absence of Dr. Stehman has had placed upon him a double responsibility.

The Ladies' Aid Society have, as in former years, done their work with great credit. We could not run the Hospital without them.

We have been deprived of the services of Dr. Stehman for the last year. We hope that he may get well, for his work in the Hospital for the last fourteen years has been very successful. He is well acquainted with the friends of the Hospital, has made friends with the best men in the city, and in every way he has been a great benefit to the Hospital.

The religious services remain unchanged. Prayer and praise services are held in different wards of the Hospital by the regular visitor, Miss Content Patterson. Sabbath Bible Class services are continued. Great thanks are due to the Medical Staff for their personal as well as professional interest in the patients; to the nurses for their faithful and thoughtful services, and also to the employes. To the public is due special thanks of the Board for the manner in which it so generously responds to the call for hospital enterprises.

D. K. PEARSONS,
President.

CONSTITUTION.

ARTICLE I.

TITLE.

The corporate name of this Society is THE PRESBYTERIAN HOSPITAL OF THE CITY OF CHICAGO.

ARTICLE II.

OBJECT.

The object of the Society is the establishment, support and management of an institution for the purpose of affording medical and surgical aid and nursing to sick and disabled persons of every creed, nationality and color.

ARTICLE III.

THE SOCIETY.

The Managers shall be *ex-officio* members of the Society, and the names of the Managers from time to time in office shall be placed on the roll of membership as active members.

Other persons severally paying or contributing to the funds of the Hospital (as is expected of the Managers severally) not less than ten dollars annually, may be constituted members by vote of the Board of Managers, or by the Electing Committee as provided by the By-Laws, but subject to the approval of said Board, as is also provided. A person once elected to annual membership may continue such a membership only on paying ten dollars annually.

Any person who shall pay not less than one hundred dollars in advance may, upon vote of Board of Managers, become a life member.

Honorary members may also be constituted by vote of the Board of Managers.

Any of the honorary, life or annual members who may actually attend the annual or any of the special or other meetings of the Society, shall have the right to participate therein along with the active members aforesaid.

ARTICLE IV.

PROPERTY.

All property of the Society, unless otherwise directed by the donor, shall be applied or be held to advance the general objects of the Society, as declared in the Certificate of Organization.

ARTICLE V.

GOVERNMENT.

The affairs of the Society shall be under the direction of the Board of Managers. Such Board shall consist of twenty-four persons, with the addition thereto of the

pastors of the First, Second, Third and Fourth Presbyterian Churches of Chicago, now or hereafter respectively installed, and acting as such pastors respectively. Such pastors are to constitute the Clerical Board.

Said twenty-four persons shall be, as at present, divided into four classes of six (6) each, such division having been made with reference to service for the terms of one (1), two (2), three (3) and four (4) years respectively of those first selected, and so that hereafter six managers shall be elected by the said Board annually, by ballot, to serve on the said Board for four years. Any vacancy occurring in the said Board of Managers, otherwise than by change of pastorate as to said four churches respectively, may be filled in like manner at any stated or special meeting of the said Board; provided, that if the vacancy be not so filled until a meeting of the Society shall occur, the same shall be filled by vote by ballot of the members of the Society attending such meeting.

A President, a Vice-President, a Treasurer, a Secretary, and an Assistant Secretary, shall be elected annually by the said Board of Managers from their own number; provided, however, the Assistant Secretary need not be a manager. Not less than eleven members of said Board shall constitute a quorum for the purpose of electing officers, making or changing By-Laws, or for holding any special meeting, but seven shall be a quorum for all other purposes and for stated meetings. The Board of Managers shall at all times be fully authorized to execute all powers of the Society over all the estate and property of the Society; to it shall be committed the care of the funds of the institution, authority to make By-Laws, Rules and Regulations, and to alter and amend the same; to fill vacancies in their own body, except as above provided, choose the officers of the Society, appoint agents, assistants and attendants, and generally transact the entire business of the Society.

ARTICLE VI.

MEETINGS OF THE BOARD.

The Board of Managers shall hold stated monthly meetings on the third Monday of the month. Special meetings of the Board and of the Society may be called by the President, or, in case of his absence or inability to act, by the Vice-President, or on the requisition of five members of the Board of Managers, but when special meetings are called, the time and place of the meeting, and the subject proposed to be considered, shall be specified in the notice to the members at least two days previous to the meeting, and no other subject shall be acted upon at such meetings.

ARTICLE VII.

ANNUAL MEETING.

The annual meeting of the Society shall be held on the second Monday of April in each year. It shall be the duty of the Board of Managers to make the necessary arrangements for this meeting; to present to the meeting, or adjourned meeting, a report of the proceedings and business matters of the previous year; to exhibit a full and accurate view of the state of the funds and property of the Society; and also to give information of any nature relating to the objects or affairs of the Society which may be of interest or importance. In case of failure to hold

the annual meeting on the day specified, a special meeting shall be called for that purpose. An attendance of not less than eleven members, active, annual, life or honorary, shall be necessary for the transaction of business, except to adjourn to another time.

At such annual or adjourned meeting, six persons shall be chosen to supply the places of the class of Managers whose term of service is about to expire; that is, if vacancies exist. The persons so elected, together with those composing the other classes and the four other members of the Board provided for as aforesaid, shall constitute the Board of Managers for the ensuing year, and shall continue in office until their successors are elected.

ARTICLE VIII.

BOARD OF CLERGYMEN.

There shall be a Clerical Board, to consist of the four clerical *ex-officio* members of the Board, to whom shall be exclusively committed all matters relating to the spiritual and religious ministration of the Hospital. The President of the Board of Managers, or in case of his absence or inability to act, the Vice-President, shall be notified of the meetings of the Clerical Board, and when present shall preside and vote at such meetings. It shall be the duty of the Superintendent and Chaplain, when requested, to attend these meetings of the said Board.

ARTICLE IX.

AUTHORITY TO BORROW MONEY.

At the annual meeting of the members of the Society, or at any special meeting thereof, authority may, by a vote of the majority of the members present, be delegated to the President and Treasurer to borrow money to be used solely for the purposes of the Society.

Estimates shall be submitted to any such meeting by the Treasurer and the Finance Committee, from which the amount of money to be borrowed for current expenses or for other necessary outlays before the next annual meeting can be determined.

In carrying out the power hereby given, the President and Treasurer may, from time to time, subject to approval of Finance Committee, execute note or notes, and renew the same without the necessity of any further vote of the members.

ARTICLE X.

AMENDMENTS OF THE CONSTITUTION.

Amendments of the Constitution shall be proposed in writing at a regular meeting of the Board of Managers, and may be acted upon at the next regular meeting of the Board, or a special meeting called for the purpose, and shall be adopted only upon a concurrence of a majority of the Board of Managers.

BY-LAWS

FOR THE GOVERNMENT AND REGULATION OF THE BOARD OF MANAGERS AND OFFICERS GENERALLY.

DUTIES OF THE OFFICERS.

I. OF THE PRESIDENT.

The President shall preside at the meetings of the Society and of the Board of Managers. Unless otherwise ordered by the Board, he shall appoint all committees which do not consist of more than three members, subject to approval by the Board. He shall sign all orders on the Treasurer, directed by the Board of Managers, and shall call special meetings of the Board, agreeably to the Constitution, whenever, in his opinion, the business of the Society requires it, or when requested to do so on the application of five managers. But in calling special meetings he shall have the notices sent to the members, state the general nature or character of the business to come before them, as provided for in Article VI of the Constitution, and such notices shall be mailed or otherwise served at least two days prior to the time appointed for the meeting.

The President shall be *ex-officio* chairman of the Executive Committee, and an advisory member of each of the other standing committees, but without vote in the latter, and shall be notified of the meetings of such committees.

II. OF THE VICE-PRESIDENT.

In case of the absence of the President, the Vice-President shall possess his powers and perform his duties, and in the absence of both President and Vice-President, the Managers present at any meeting shall appoint one of their number to preside.

III. OF THE TREASURER.

The Treasurer shall have the custody of all bonds, title deeds, and other papers and documents relating to the property of the corporation, and of all moneys belonging thereto. He shall open, in the name of the Hospital, an account with one of the banks in the city of Chicago, to be approved by the Board, and shall deposit all moneys in such bank immediately upon receiving them. He shall keep a proper check and account book, showing the amount of funds in his hands, which shall, at all suitable times, be open to the inspection of the Managers. At each stated meeting he shall present an account or abstract thereof, showing the state of the treasury. He shall pay all orders drawn upon him in the manner hereinafter prescribed. He shall execute such resolutions as shall be adopted by the Committee of Finance, relative to the investment of funds. He shall prepare and lay before the Society, at each annual meeting or adjournment of the same, a statement of receipts and expenditures the preceding year of the funds of the Society, and shall show by such statement the manner in which the funds of the Society are invested.

IV. OF THE SECRETARY.

The Secretary shall keep the minutes of the proceedings of the Board of Managers. He shall countersign all orders drawn upon the Treasurer in pur-

suance of the resolutions of the Board. He shall preserve all records and papers which do not belong to the office of the Treasurer. He shall notify the members of every stated meeting of the Board of Managers by notice addressed to them through the post office, at least two days before the meeting, and shall give similar notice of the meetings of the Society by notice addressed to the members at their places of business respectively, or last known places of residence, or by publication in a daily city paper for at least two days preceding such meeting, which publication shall be deemed a proper notice. He shall also cause notice to be given to the chairman of each committee of the names of the members thereof, and the object for which they may be appointed. He shall prepare and file such certificates of election and other papers, if any, as may be required to be recorded in the county records.

He shall be Corresponding Secretary *ex-officio*, and shall have charge of the correspondence of the Board, and make such communications in relation to it as may be directed by the Managers; but if the Board of Managers find it desirable to do so, they may elect a Corresponding Secretary to discharge these duties and such others as may be devolved upon him.

V. OF THE ASSISTANT SECRETARY.

The Assistant Secretary shall perform such duties as may be required of him by the Secretary or by the Executive Committee.

VI. ELECTION OF COMMITTEES.

The Managers shall elect, at their first stated meeting in the month of April in each year, or as soon thereafter as may be, a Committee of Finance, to consist of five members, of whom the Treasurer shall be one; an Executive Committee of nine members, of whom the President shall be one, three of whom shall form a quorum; an Auditing Committee of two members, and an Electing Committee of five members. These committees shall hold office during the year, and until their successors be chosen, unless otherwise ordered by the Board.

VII. OF THE EXECUTIVE COMMITTEE.

The Executive Committee shall direct or control the affairs of the Hospital during the interim of the meetings of the Board of Managers, but subject to the action and supervision of said Board. They shall keep a fair record of their proceedings, and the same shall be submitted to said Board at its stated meetings, or when required by said Board.

VIII. OF THE FINANCE COMMITTEE.

It shall be the duty of the Committee of Finance to adopt proper means of augmenting the subscription and benefactions, to circulate information concerning the Hospital, to see that the subscriptions are duly received, and to direct the Treasurer in investing the funds. But all investments, except such as may be approved by the Board, shall be in the public stocks of the United States of America, in bonds of the County of Cook or of the City of Chicago, or in such corporate and municipal bonds as the Finance Committee may recommend, or upon bond and mortgage or unincumbered improved real estate in the County of Cook, the estimated value of which shall be twice the amount loaned; and the Committee of Finance shall keep said property fully insured.

IX. OF THE AUDITING COMMITTEE.

The office of the Auditing Committee shall be to examine and report to the Board all accounts against the Society, and also to examine the Treasurer's account at the close of each year, prior to the annual meeting. Said committee shall examine all securities and vouchers held or taken by the Treasurer, and his books of account from time to time, and report in regard to the sufficiency and regularity of the same respectively.

X. OF THE ELECTING COMMITTEE.

The office of the Electing Committee is to elect persons to be members of the Society, on their complying with the terms prescribed by the Constitution and By-Laws. The committee shall be subject to the following regulation: Four members shall be necessary to constitute a quorum; a candidate shall be elected if a majority of the members present vote in his favor, but such election shall be reported to the Board of Managers, subject to its approval thereof; twenty-four hours' notice shall be given of every meeting of the committee.

XI. APPROPRIATION OF MONEY.

All appropriations of money shall be made by resolution of the Board, and entered on its minutes. Orders for the amount appropriated shall then be drawn on the Treasurer, signed by the President, or, in his absence, by the Vice-President, and countersigned by the Secretary, or, if he be absent, by the Assistant Secretary, or secretary *pro tem.*, which orders, with the receipts of the persons in whose favor they may be drawn indorsed thereon, shall be the Treasurer's vouchers for payments made by him.

XII. ORDER OF BUSINESS.

The order of business shall be as follows:

1. The President shall take the chair at the hour appointed for the meeting of the Board; or as soon thereafter as a quorum shall appear, and the meeting shall be opened with prayer.
2. The roll shall then be called, and the attending members noted.
3. The minutes of the preceding meeting shall be read, corrected, if necessary, and approved.
4. Communications to the Board shall be received and considered.
5. Reports of the committees shall be called, and order be taken thereon.
6. The unfinished business of the former meetings, if any, shall be taken up, after which any business may be proceeded with at the pleasure of the Board.

* REPORT OF FURNISHING COMMITTEE.

The natural growth of our Hospital work entails a steady increase in expenditures, and your committee has made purchases of material and supplies during the year amounting to over \$3,000. The largest outlay has been for the following articles:

| | |
|-------------------------|-------|
| Sheets | 1,800 |
| Pillow cases..... | 1,200 |
| Napkins | 1,200 |
| Bed spreads..... | 177 |
| Rugs..... | 138 |
| Bolts of toweling | 80 |

Your committee has had the efficient aid of the matron, whose thorough acquaintance with the needs of the Hospital has enabled us to meet its large and growing demands with due regard for the economies.

MRS. D. W. GRAHAM,
Chairman.

MRS. G. R. NICHOLS,
Chairman pro tem.

REPORT OF LIBRARY COMMITTEE.

The Committee met eleven times during the year. The Committee meets before and after the regular monthly meeting, the Hospital kindly furnishing a lunch in the committee room. Part of the work of the Committee consists in looking over the gifts of books, magazines and papers sent in by the friends of the Hospital. All the bound books read by the patients aside from those in the Armour Ward, and in private rooms are protected by adjustable covers. The Committee usually re-covers from fifty to one hundred books at each meeting. The condition of these covers is a very good gauge of the popularity of books. The Committee received during the year 83 books besides paper novels, magazines, papers, and children's books. The Committee enjoyed buying twenty-six of the newest books with gifts of money amounting to \$22.00. The Library also received \$10.00 in subscriptions for current magazines. The expenses for book covers and incidentals are met by an appropriation of \$10.00 a year from the board.

The Chairman takes pleasure in thanking all the kind friends of the Library Committee for their gifts and interest in this part of the Hospital life. The Chairman thinks you may enjoy with the Committee the report of one of the office clerks to one of the Library Committee that he thought she hardly realized what a center of interest the book-cases were on each floor; how the patients gather around and in their reading and discussions find a diversion from their sufferings.

Respectfully submitted,

ROSE B. MASON,

Chairman.

REPORT OF DEVOTIONAL COMMITTEE.

Each member of the Devotional Committee has a division of the Hospital assigned to her care which she visits as often as possible, ministering as she is able to the spiritual need of the patients. Once a month the ladies of the Committee spend an afternoon together at the Hospital. On such days a short meeting for conference and prayer is first held in the Chapel, after which each spends an hour visiting, coming together again to take part in the regular four o'clock service in one of the wards, which on such days is usually in charge of the Committee. During the afternoon also short portions of scripture are frequently read and expounded and prayer offered in other rooms and wards. Besides this personal work the Committee joins in daily united prayer, guided by a topic list which includes all who are in any way connected with the institution, and so far as possible covers its needs.

Respectfully submitted,

ANNA E. WING,

Chairman.
